Linda Ellson, the teacher of *Feng Shui Annual Energy Changes*, is a certified Feng Shui practitioner and the owner of [Feng Shui Your World](http://www.fengshuiyourworld.com).

Feng Shui is recognized globally for its ability to enhance wellness, wealth, and partnerships of all kinds. Ellson has found success in Western New York and will celebrate Feng Shui Your World's 21st year in business in 2023. A graduate of the American School of Classical Feng Shui and a member of the [International Feng Shui Guild](#), Ellson is frequently featured on WKBW's "AM Buffalo" in a "Feng Shui Thursdays" segment.

"The Year of the Rabbit promises a sweeter year with romance and opportunities for happy events. It is also a pivotal year at the end of a 20-year cycle and the rise of a new period of energy coming in 2024," says Ellson.

Online registration for Ellson's *Feng Shui Annual Energy Changes* opened on December 3, 2022, and continues through January 14, 2023. The program initially shifted to Zoom due to Covid-19 restrictions. With that, it found global attendance, with people joining from all over the world, including Australia, the UK, and Canada.

"Our decision to continue to teach *Feng Shui Annual Energy Changes* virtually came from the opportunity and hidden blessing Covid presented. Initially, we were forced to go virtual, but that has allowed us to expand our national and international audience."

Renee A. Filip, the president and CEO of Aspire of Western New York, Inc., is a client and proponent of Linda Ellson and Feng Shui Your World.

"I have had the pleasure of participating in the Feng Shui Your World since its inception," says Filip. "Linda is passionate about her work, and more importantly, she is very good at educating people on all the aspects of Feng Shui. Her approach has empowered me to incorporate the benefits of Feng Shui into every aspect of my life. After 20 years, I continue to employ these principles in my home, work life, and even in caring for my rescue dogs. I am fascinated by the realized benefits of this ancient, science-based approach to enhancing the energy in my environment."

Co-hosted by [Santosh Holistic Services](#), Feng Shui Your World's annual *Feng Shui Annual Energy Changes* class takes place on January 14, 2023. Those interested in registering can do so at: <https://linktr.ee/yearoftherabbit2023>
